

Some of the prescription services this pharmacy provides are not funded by the District Health Board. If you require any of these unfunded services, our charges are:

1. Blister packaging
 - a. Weekly dispensing blister packs **\$3.00/pack**
 - b. Monthly dispensing blister packs **\$10.00 first dose
\$5.00 other doses**
 - c. Changes to current blister packs **\$3.00/pack**
2. Processing faxed or phoned prescriptions **\$2.00**
3. Obtaining information about Special Authorities or other subsidy requirements through to obtaining a RISK number or community service card details. **\$2.00**
4. Providing WINZ print-outs **\$3.00**
5. Storing prescriptions for future dispensing **No Charge**
6. Splitting tablets **No Charge**
7. Providing services outside the normal business hours of nearby shops during the week or at the weekend **No Charge**
8. Substitution of medicines **No Charge**
9. Returning prescriptions to the prescriber for annotation or confirmation of decisions made over the phone **No Charge**
10. Clinical interventions which are necessary to allow the prescription to be dispensed **No Charge**
11. Delivery on a Monday **No Charge**
12. Delivery on days other than Monday **\$3.00 <10km
\$ poa >10km**

You can avoid a charge by choosing not to take the service subject to the particular Pharmacy Charge and informing us before your prescription is processed and the pharmaceuticals are provided. If you chose to do so, the service subject to the charge will not be provided. This may require you to take the prescription back to the prescriber for amendment.
